Bayview Services Inc.
Demolition | Environmental |
Industrial

MESSAGE

Founded over 25 years ago, Bayview Services Inc., prides itself on providing turnkey services to our Trade Partners in Environmental Remediation, Specialty Demolition, and most recently Industrial Services. While Bayview is new to Southern California, we have built a lasting partnership with Clark Construction over the last several years in Northern California and seek to expand that partnership with your team in the Southern California area.

Please consider Bayview when bidding your next Southern California Project. If any pre-qualification information is needed to add us to your bidder's list, please contact me directly.

I believe that Bayview is the most capable and reliable contractor in the industry. We are able to handle the wide array of environmental challenges that occur during construction and demolition projects. Our unique ability to remediate whatever comes up sets us apart.

Peter Warren, Director of Operations
Bayview Environmental

Austin Viramontes

Director of Sales & Estimating

BIO

Austin is a veteran of the United States Air Force with 17 years of high-risk mitigation/operations experience derived from a combination of active duty military service, civil service, and Department of Defense / inter-agency contracting. He earned a Bachelor of Science degree in Business/Small Business and Entrepreneurship from the University of Phoenix in 2013. Austin is responsible for the development, application, and sustainability of best production methods for the Sales and Estimating Departments. He is committed to continuous improvement and ensures that all contractual and/or corporate policies and guidelines are followed.

There's more to demolition than just tearing things apart. We understand the technical aspects involved in the process based on our extensive experience, and look to mitigate potential exposures proactively. Every demolition job involves problem solving, and we take great pride in our ability to complete multifaceted projects in a safe and efficient manner.

John McCarthy

Operations Manager | Southern California

BIO

John has been a risk-management professional with operational planning, management, and oversight experience since 2003. Previous experience includes U.S. special operations programs, and regular and direct involvement in strategic, operational, and crisis-response coordination between U.S. government departments and agencies and U.S. foreign partners. John joined Bayview in 2018, and utilizing his previous experiences, he was quickly promoted to Operations Manager of the Southern California region. He is responsible for the development, application, and sustainability of best production methods for the Operations Department. He is committed to continuous improvement and ensures that all contractual and/or corporate policies and guidelines are followed.

BAYVIEW DIVISIONS

Marvin J. Henderson

President

BIO

As one of the founding members of Bayview, Marvin has over 40 years of experience in the demolition and abatement industry. He started his construction experience as a union carpenter installing specialty asbestos products. Prior to the formation of Bayview, Marvin was one of the Chief Estimators and Vice President of a publicly traded environmental company.

Marvin's initial position in Bayview was to form and develop the sales and estimating team. Now as President of Bayview, he continues to guide the company to be one of the leading demolition, insulation, and hazardous material abatement contractors in California.

CERTIFICATIONS/TRAINING

- > Qualifying individual for the California State Contractors license for Bayview Demolition Services, Inc. License #764068

Safety = success. The cleaner and safer the job site, meaning our people are on task and organized, the fewer injuries we experience. It's that simple. And the project comes out more successfully: on time, on budget. This all makes the clients happier.

Kyle VandenBos

Marketing Associate

BIO

Kyle started his career in construction over a decade ago, learning the industry with his family-owned business. Starting in the field as a laborer, he has progressed through the ranks and now supports our Southern California Division's Business Development and Marketing efforts. He brings his years of knowledge and acute eye for detail to every job as well as a stringent safety protocol. He recognizes the importance of long-term relationship building in the industry and helps ensure that superior customer service is provided across the board.
