EMERGENCY PROCEDURES

Use the following procedures in the event of an emergency:

- Serious Injury or Emergency – Dial 911
- Minor Injury – Call Onsite Medical 1-866-998-2750
- Contact Frank Torres, Safety Manager 562-325-2185
- Designated field leads to contact client according for all emergency or property damage situations.

NOTE: All personnel should be aware of the location of the nearest field vehicle(s). If an evacuation is necessitated, all personnel should proceed to the vehicle immediately. The driver of each vehicle (identified during the daily tailgate meeting) should confirm that all employees are present.

Use the following procedures in the event of a site evacuation:

- The Company superintendent, supervisor or foreman shall designate an evacuation route and assembly area for all employees to meet in case of fire, earthquake, etc.
- The on-scene supervisor or foreman shall be responsible for accounting for personnel after an emergency or evacuation.
- Employees shall proceed to the established assembly point(s) and remain in these assembly points until the "all clear" has been given and all Company personnel have been accounted for.
